

PUBLICATIONS:

Abstracts (selected):

Dougherty, M, **Bossart GD**, Guest JD, Belonger E and Rommel S. Thoracolumbar fracture repair in a Florida manatee. International Association of Aquatic Animal Medicine, New Orleans, LA, 2000.

Bossart GD. Effects of harmful algal bloom toxins on marine mammals and birds. Sentinel Species Workshop, Tarrytown, NY, 2000.

Dougherty, M, **Bossart GD**, Ewing R, and Zaias J. Use of a new antifungal, terbinafine, as a possible treatment for *Apophysomyces elegans* in cetaceans. International Association for Aquatic Animal Medicine, Tampa, FL, 2001.

McKinnie CJ, Dover S, Ogilvie G, and **Bossart GD**. Treatment of oral squamous cell carcinoma in an Atlantic bottlenose dolphin (*Tursiops truncatus*). International Association for Aquatic Animal Medicine. Tampa, FL, 2001.

Bossart GD. Brevetoxicosis in Florida manatees (*Trichechus manatus latirostris*). International Association for Aquatic Animal Medicine. Tampa, FL, 2001.

Bossart GD. The role of veterinarians in manatee and dugong field conservation. AZA Zoos and Aquariums: Committing to Conservation, Brevard Zoo, Melbourne, FL, 2001.

Meisner R, Rommel S, Costidis A and **Bossart GD**. Pathologic lesions associated with immune compromise in Florida manatees. Florida Marine Mammal Health Conference, University of Florida, Gainesville, FL, 2002.

Varela R and **Bossart GD**. Development of improved methods for the determination of immune health of marine mammals. Florida Marine Mammal Health Conference, University of Florida, Gainesville, FL, 2002.

Rommel S, Haubold E, Costidis A, **Bossart GD** and Meisner R. The comparative distribution of lymph nodes in marine mammals. Florida Marine Mammal Health Conference, University of Florida, Gainesville, FL, 2002.

Bossart GD, Ewing R, Sweat M, Decker S, Walsh CC, Ghim S and Jenson AB. Immunosuppression as a cofactor in the pathogenesis of viral papillomatosis in Florida manatees. Florida Marine Mammal Health Conference, University of Florida, Gainesville, FL, 2002.

Varela R, **Bossart GD** and Wright S. Postmortem evaluation of vitreous humor for determination of antemortem health in Florida manatees (*Trichechus manatus latirostris*). International Association for Aquatic Animal Medicine, Albufeira, Portugal, 2002.

Gili C, McBain J, Hartmann M, **Bossart GD**, Menchaca M, Renner M, Townsend F, Walsh L, Lacave G, Salbany A and Roque L. Therapeutic approach to mandibular and maxillary fractures in captive cetaceans. International Association for Aquatic Animal Medicine, Albufeira, Portugal, 2002.

Gregory D. Bossart, V.M.D., Ph.D.
Curriculum Vitae

Bossart, GD. Manatee outreach programs in Latin America: Helping people help endangered species. 27th International Conference of the Study of Marine Mammals, Veracruz, Mexico, 2002.

Cortez M, Sanchez R and **Bossart GD.** Behavior of two West Indian manatees (*Trichechus manatus manatus*) kept in a controlled area at Puerto Aventuras, Quintana Roo, Mexico. 27th International Conference of the Study of Marine Mammals, Veracruz, Mexico, 2002.

Bossart GD. Manatee papillomavirus research: An update. Interagency/Oceanaria Manatee Working Group Conference, Homosassa, FL, 2002.

Bossart GD. Pathologic features of the manatee cold stress syndrome. Interagency/Oceanaria Manatee Working Group Conference, Homosassa, FL, 2002.

Bossart GD, Ewing R, Lowe M, Sweat M, Walsh C, Ghim S and Jenson AB. Cutaneous viral papillomatosis in the endangered Florida manatee: An emerging disease? 20th International Papillomavirus Conference, Pasteur Institute, Paris, France, 2002.

Bossart GD and Varela R. Emerging diseases in marine mammals. XVIII Pan-American Congress of Veterinary Sciences, Havana, Cuba, 2002.

Bossart GD and Varela R. The role of veterinarians in manatee and dugong field conservation. XVIII Pan-American Congress of Veterinary Sciences, Havana, Cuba, 2002.

Lacave G, Jenson AB, Ghim S, **Bossart GD,** Ducatelle R, Salbany A, Roque L, Pereira M, Massei K, Ova I, Romao N and Lima C. Identification of a genital papilloma in two female *Tursiops truncatus*, one with pseudocarcinomatous properties, after voluntary biopsies. International Association of Aquatic Animal Medicine, Waikoloa, Hawaii, 2003.

Falcon-Matos L, Mignucci-Giannoni A, Toyos-Gonzalez G, **Bossart GD,** Meisner R, and Varela R. Evidence of a shark attack on a West Indian manatee in Puerto Rico. Society for Marine Mammalogy, Greensboro, North Carolina, 2003.

Mazzoil, M, **Bossart GD,** McCulloch S, Murdoch E, Defran RH, and Reif J. Epidemiologic analysis of dermatologic conditions in Atlantic bottlenose dolphins from the Indian River Lagoon, Florida. Society for Marine Mammalogy, Greensboro, North Carolina, 2003.

Miller-Richardson A, Ewing R, Zaias J, **Bossart GD,** Dunn D, and Keith E. Descriptive epidemiology of stranded dolphins along the Florida coastline from 1996-2002. Society for Marine Mammalogy, Greensboro, North Carolina, 2003.

Bossart GD. Kogia pathology. Society for Marine Mammalogy, Greensboro, North Carolina, 2003.

Peden-Adams M, Fair P, **Bossart GD,** and Romano T. Development and standardization of a suite of assays to assess immunotoxicity in the bottlenose dolphin. Society for Marine Mammalogy, Greensboro, North Carolina, 2003.

Sweat, M, Johnson C, **Bossart GD**, and Marikar Y. Brevetoxin-induced apoptosis in manatee peripheral mononuclear cells. Society for Marine Mammalogy, Greensboro, North Carolina, 2003.

Bossart GD and Varela R. Emerging diseases in marine mammals: an environmental distress syndrome? 6th Congress of Marine Sciences, Havana, Cuba, 2003.

Chiers K., Lacave G., Salbany A., Roque L., **Bossart G.**, Jenson B., Ghim S., Van Ranst M., Rector A., Ducatelle R. Detection of a novel papillomavirus in genital papillomatous lesions of bottlenose dolphins. Proceedings of the 22nd Meeting of the European Society of Veterinary Pathology, Olztyń, Poland, 2004.

Peden-Adams, M.M., T. Romano, C.D. Rice, L. Hessemann, J. EuDaly, D. Muir, M. Houde, **G. Bossart**, P. Fair. Immune function and clinical blood parameters correlate with perfluorinated hydrocarbon concentrations in bottlenose dolphins. SETAC Conference, Portland, Oregon, 2004.

Montie, E., Garvan, S.R., Fair, P., Bossart, G.D., Hohn, A., Mitchum G.B., McFee, W.E., Moore, M., Hahn, M.E. Cytochrome P450 Expression in bottlenose dolphins from the northwest Atlantic: Evidence for integument stratification. SETAC Conference, Portland, Oregon, 2004.

Bossart, G.D. Marine mammals and brevetoxicosis: A diagnostic challenge. NMFS/NOAA Workshop on HAB-Related Marine Mammal Mortalities. Orlando, Florida, December 2004.

Bossart, G.D. Harmful algal blooms, biotoxins and marine mammal mortality: *An emerging crisis?* Ocean Science Lecture Series, Harbor Branch Oceanographic Institution, March 2005.

Goldstein, J. D., Reese E., Varela R. A., Defran, R. H, McCulloch, S. D., **Bossart, G. D.**, Reif, J. S., and Fair, P. Clinicopathologic findings from Atlantic bottlenose dolphins (*Tursiops truncatus*) inhabiting the Indian River Lagoon, Florida. Proceedings from the 36th Annual conference of the International Association for Aquatic Animal Medicine, May 14-18, Seward, Alaska, 2005.

Rehtanz, M., Ghim, S. J., Rector, A., van Ranst, M., Jenson, A. B., and **Bossart, G. D.** Isolation of a novel papillomavirus (PV) from a genital lesion of a bottlenose dolphin: *Tursiops truncatus* Papillomavirus Type 2. Proceedings from the 36th Annual conference of the International Association for Aquatic Animal Medicine, May 14-18, Seward, Alaska, 2005.

Linton, A., Peden-Adams, M., **Bossart, G.**, Fair, P., and Romano, T. Assessment of immune function in wild bottlenose dolphins (*Tursiops truncatus*) live captured in the Indian River Lagoon, FL and Charleston Harbor, SC. Proceedings from the 36th Annual conference of the International Association for Aquatic Animal Medicine, May 14-18, Seward, Alaska, 2005.

Gregory D. Bossart, V.M.D., Ph.D.
Curriculum Vitae

Mancia, A., Lundqvist, M., Romano, T., **Bossart, G.**, Fair, P., and Warr, G. W. Development of a dolphin cDNA microarray. Proceedings from the 36th Annual conference of the International Association for Aquatic Animal Medicine, May 14-18, Seward, Alaska, 2005.

Sánchez, R. O., **Bossart, G. D.**, López, A., Bernal, J., and Herrera, J. A. Reproductive activity post-treatment with altrenogest in *Tursiops truncatus* females. Proceedings from the 36th Annual conference of the International Association for Aquatic Animal Medicine, May 14-18. Seward, Alaska, 2005.

Houde, M., Balmer, B. C., Bujas, T. A. D., **Bossart, G. D.**, Fair, P. A., Wells, R. S., Solomon, K. R., Muir, D. C. G. Tissue distribution of perfluorinated alkyl acids in bottlenose dolphins (*Tursiops truncatus*). Proceedings for SETAC. Paris, France, 2005.

Bossart, G., Ghim, S-J., Rehtanz, M., Goldstein, J., Varela, R., Ewing, R., Fair, P., Lenzi, R., Joseph, B., Schneider, L., McKinnie, C., Reif, J., Sanchez, R., Lopez, A., Novoa, S., Bernal, J., Goretti, M., Defran, R.H., Jenson, A.B. Orogenital Neoplasia in Atlantic Bottlenose Dolphins (*Tursiops truncatus*). Proceedings from the 16th Biennial Conference on the Biology of Marine Mammals, December 12-16, San Diego, California, 2005.

Fair, P., Varela, R., Zolman, E., Adams, J., Mitchum, G., Peden-Adams, M., Romano, T., Reif, J., Muir, D., Houde, M., Montie, E., Hahn, M., Bemiss, J., Goldstein, J., **Bossart, G.** Preliminary Health Assessment Findings in Bottlenose Dolphins Inhabiting the Indian River Lagoon, FL and Coastal Waters of Charleston, SC. Proceedings from the 16th Biennial Conference on the Biology of Marine Mammals, December 12-16, San Diego, California, 2005.

Houde, M., Balmer, B., Bujas, T., Wells, R., Hohn, A., Sweeney, J., **Bossart, G.**, Fair, P., Solomon, K., Muir, D. Emerging Perfluorinated Contaminants in Bottlenose Dolphins (*Tursiops truncatus*) from the Atlantic Ocean and the Gulf of Mexico. Proceedings from the 16th Biennial Conference on the Biology of Marine Mammals, December 12-16, San Diego, California, 2005.

Lyon, B., Bemiss, J., Greig, T., **Bossart, G.**, Fair, P. Antibiotic Resistant *Escherichia coli* Found in Florida and South Carolina Wild Bottlenose Dolphins. Proceedings from the 16th Biennial Conference on the Biology of Marine Mammals, December 12-16, San Diego, California, 2005.

Mancia, A., Lundqvist, M., Romano, T., **Bossart, G.**, Fair, P., Warr, G. Development of a Dolphin cDNA Microarray. Proceedings from the 16th Biennial Conference on the Biology of Marine Mammals, December 12-16, San Diego, California, 2005.

Mann, D., J., Varela, R., Goldstein, J., McCulloch, S., **Bossart, G.**, Finneran, J., Houser, D., Cook, M. Gervais' Beaked Whale Auditory Evoked Potential Hearing Measurements. Proceedings from the 16th Biennial Conference on the Biology of Marine Mammals, December 12-16, San Diego, California, 2005.

Mitchum, G., **Bossart, G.**, Wetzel, D., Fair, P. Organochlorine Pesticides, Polychlorinated Biphenyls, Polybrominated Diphenyl Ethers, and Polycyclic Aromatic Hydrocarbon Levels in Dolphins from the Indian River Lagoon, FL and Charleston, SC. Proceedings from the 16th Biennial Conference on the Biology of Marine Mammals, December 12-16, San Diego, California, 2005.

Mollenhauer, M., Fair, P., **Bossart, G.**, Njoku, C., Patrick, K., Oates, J., Khan, M., Gilkeson, G. A Novel Approach to Assessing Oxidative Stress in Wild Bottlenose Dolphins, *Tursiops truncatus*. Proceedings from the 16th Biennial Conference on the Biology of Marine Mammals, December 12-16, San Diego, California, 2005.

Politz, C., Lopez, J., McCulloch, S., **Bossart, G.** Genetic Structure of Bottlenose Dolphins, (*Tursiops truncatus*) in the Indian River Lagoon, Florida. Proceedings from the 16th Biennial Conference on the Biology of Marine Mammals, December 12-16, San Diego, California, 2005.

Rehtanz, M., Ghim, S-J., Fair, P., **Bossart, G.**, Jenson, A.B. New Viral Findings and the Development of Seroepidemiological Screening Tests and the Corresponding Vaccines. Proceedings from the 16th Biennial Conference on the Biology of Marine Mammals, December 12-16, San Diego, California, 2005.

Reif, J., Mazzoil, M., McCulloch, S., Varela, R., Fair, P., **Bossart, G.** Lobomycosis in Atlantic Bottlenose Dolphins, (*Tursiops truncatus*) in the Indian River Lagoon, Florida. Proceedings from the 16th Biennial Conference on the Biology of Marine Mammals, December 12-16, San Diego, California, 2005.

Wang, H-C., **Bossart, G.**, Fair, P. Comparison and Accumulation of Mercury Concentrations in Bottlenose Dolphin (*Tursiops truncatus*) Populations Along the Southeast Atlantic Coast. Proceedings from the 16th Biennial Conference on the Biology of Marine Mammals, December 12-16, San Diego, California, 2005.

Refereed Articles and Book Chapters:

Miller D, Dougherty M, Decker S and **Bossart G.** Ultrastructure of the spermatozoa from a Florida manatee (*Trichechus manatus latirostris*). Anat Histol Embryol 30: 253-256, 2001.

Walsh M, Ewing R, Odell, D and **Bossart GD.** Mass strandings of cetaceans. In: Dierauf L and Gulland F (eds.), Marine Mammal Medicine. CRC Press, Boca Raton, FL, pp.83-96, 2001.

Cray C and **Bossart GD.** Biochemical tests for clinical use on avian samples. Clinical Brief. AAV News and Clinical Forum. September-November, pp. 4-5, 2001.

Bossart GD. Manatees. In: Dierauf L and Gulland F (eds.), Marine Mammal Medicine. CRC Press, Boca Raton, FL, pp. 939-960. 2001.

Bossart GD, Reiderson T, Dierauf L and Duffield D. Clinical pathology. In: Dierauf L and Gulland F (eds.), Marine Mammal Medicine. CRC Press, Boca Raton, FL, 383-436, 2001.
