

## MISCELLANEOUS PUBLICATIONS

1. *First Indian River Study Annual Report. 1973-1974.* Harbor Branch Consortium; a report on research and progress ending October 1974. 2 volumes.
2. Antonius, Arnfried. 1974. *Final report of the Coral Reef Group of the Florida Keys Project for the project year 1973.* 201 pp.
3. MacIntyre, Ian G. 1974. *Report of the Harbor Branch Coral-Reef Workshop.* Link Port, Florida, February 13-15, 1974. 81 pp.
4. *Indian River Coastal Zone Study. Second Annual Report. 1974-1975.* Harbor Branch Consortium; a report on research and progress October 1974 - October 1975. Edited by David R. Young. 2 volumes.
5. Avent, R.M. and F.G. Stanton. 1975. *Submersible reconnaissance and research program; annual report, 1975.* Unpaged.
6. *Indian River Coastal Zone Study. Third Annual Report. 1975-1976.* Harbor Branch Consortium; a report on research and progress October 1975 - October 1976. 2 volumes.
7. Avent, R.M., F.G. Stanton, J.K. Reed, and N.J. Eiseman. 1976. *Submersible reconnaissance and research; annual report, 1976.* 52 pp., appendix 13 pp.
8. Ryther, John H., LaVergne D. Williams, Douglas C. Kneale, Brian E. Lapointe, John B. Loftus and Richard W. Stenberg. 1976. *Harbor Branch Foundation Aquaculture project; annual progress report, November 1976;* prepared for Harbor Branch Foundation, Inc., Florida Power and Light Company, and the United States Energy Research and Development Administration. 39 pp.
9. Goodwin, Hal and Libby Goodwin. 1976. *The Indian River - an American Lagoon.* Arlington, Virginia, Compass Publications, c1976. 69 pp.
10. *Harbor Branch Foundation. Johnson Science Laboratory. Annual Report, 1977.* Edited by Robert H. Gore and Marsh J. Youngbluth. 38 pp.
11. Holt, John K. 1977. *Marine equipment developments from Harbor Branch Foundation, Inc. Engineering Division.*
12. *Harbor Branch Profiles.* 1979. Edited by Kevin J. Eckelbarger, Patricia A. Linley and Thomas A. Smoyer. A general review of the recent technological and scientific accomplishments of Harbor Branch Foundation, Inc. 55 pp.
13. *Operations Manual: Key Largo Coral Reef Marine Sanctuary Deep Water Resource Survey.* March 26-30, 1979 and May 31-June 7, 1979. Sponsored by NOAA, Office of

Coastal Zone Management in cooperation with National Ocean Survey, Klein Associates, Inc., Army Corps of Engineers and Harbor Branch Foundation, Inc.

14. *Operations Manual: East Flower Gardens Bank Brine Seep Biological Assessment*. August 28 - September 18, 1980. Sponsored by Office of Coastal Zone Management, NOAA in cooperation with Harbor Branch Foundation, Inc. and Texas A & M University (National Technical Information Service PB81-227803).

15. Jones, R. and M. Clark. 1981. Fishes. *NOAA Technical Report CZ/SP-1*. Key Largo Coral Reef National Marine Sanctuary Deep Water Resource Survey. Edited by Stephen C. Jameson. July, 1981. pp. 25-29.

16. Eiseman, N.J. 1981. Algae. *NOAA Technical Report CZ/SP-1*. Key Largo Coral Reef National Marine Sanctuary Deep Water Resource Survey. Edited by Stephen C. Jameson. July, 1981. pp. 31-35.

17. Miller, John. 1981. Echinoderms. *NOAA Technical Report CZ/SP-1*. Key Largo Coral Reef National Marine Sanctuary Deep Water Resource Survey. Edited by Stephen C. Jameson. July, 1981. pp. 37-43.

18. Mikkelsen, Paula M. 1981. Mollusks. *NOAA Technical Report CZ/SP-1*. Key Largo Coral Reef National Marine Sanctuary Deep Water Resource Survey. Edited by Stephen C. Jameson. July, 1981. pp. 45-53.

19. Reed, John K. 1981. Sedimentology photo - *Oculina varicosa* coral. *Journal of Sedimentary Petrology* 51: 1102.

20. *Harbor Branch Profiles II*. 1981. Edited by Kevin J. Eckelbarger, Patricia A. Linley. Photo editor: Thomas A. Smoyer. Contributing editors: David J. Clayton and Laura J. Roesch. Manuscript typist: Carole J. Walker. 55 pp.

21. Reed, John K. and Robert S. Jones. 1982. Deep water coral. *Oceans* 15(4): 38-41.
